

Strategy for cooperation between public administration and non-governmental non-profit organisations 2021-2030

Vision: *Non-governmental non-profit organisations as stable and strong partners of public administration in meeting the needs of the Czech*

Set of Objectives - Task Part

Strategic Area	Strategic Objective	Specific Objective
Social climate for the activity of NGOs	<b>A) Improving the social climate for the activity of NGOs</b>	<p>A. 1 Enhancing the understanding of the social role of the non-profit sector</p> <p>A. 2 Increasing awareness of the benefits of the NGO projects and activities financed from the state budget</p> <p>A. 3 Promoting interlinking of the formal and non-formal education, and active involvement of the non-profit sector in education processes and awareness-raising</p>
Civic participation and partnership between public administration and the non-profit sector	<b>B) Supporting effective partnership and cooperation between public administration and the non-profit sector</b>	<p>B. 1 Strengthening the participatory role of the non-profit sector in designing and regular evaluating public policies</p> <p>B. 2 Strengthening the position and role of NGO umbrellas and networks in ensuring partnership and cooperation between public administration and the non-profit sector</p>
Legal environment and financing of NGOs	<b>C) Ensuring and maintaining adequate conditions for the existence and activity of NGOs</b>	<p>C. 1 Promoting the development of private donorship</p> <p>C. 2 Promoting the development of volunteering</p> <p>C. 3 Streamlining the system of NGO financing from public sources</p> <p>C. 4 Monitoring data on the subsidies provided to NGOs for public benefit services</p>

Logical Framework for the implementation of the "Strategy for Cooperation Between Public Administration and Non-governmental Non-profit Organisations 2021-2030"

Task Part

Strategic Objective		A. Improving the social climate for the activity of NGOs				Indicator of the Strategic Goal	Increased level of trust in NGOs	Default Value of the Indicator of Strategic Objective	Target Value of the Indicator of the Strategic Goal
Specific Objective	Indicator of the Specific Objective	Default Value of the Indicator of the Specific Objective	Target Value of the Indicator of the Specific Goal	Measures	Description of the Measure	Duration of Implementation period of the Measure	Criteria of Fulfilment	Responsible Institution (Person)	Collaborating Entities
A.1 Enhancing the understanding of the social role of the non-profit sector				A.1. 1. Organize and participate in awareness-raising activities the topic of which is the role and contribution of the non-profit sector	1. Organize a series of awareness-raising activities in a suitable format according to the chosen topic, using specific examples and good practice. 2. Participation in activities related to the topics covered by the Government Council for NGOs organized by other entities, such as governmental institutions, academic institutions, civil society organizations and other institutions.	1. 6. 2021 - 31. 12. 2030	Implemented activities aimed at raising awareness of the lay and professional public about the role and contribution of the non-profit sector	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies, recommendatory character for bodies of territorial self-governing units, in close cooperation with relevant NGOs and other relevant entities
				A.1. 2 Draw up information materials about the benefits and role of the non-profit sector.	Draw up and publish (in printed or online form) information materials about the role of the non-profit sector and its impact and practical benefit in various areas of society reflecting timeliness of given topics, new challenges in civil society and focusing on examples of good practice, such as a functioning partnership of NGOs with public administration.	1. 1. 2025 - 31. 12. 2030	Published information materials	OG CR (Department of Human Rights and Minority Protection)	
				A.1. 3 Regularly inform about the meetings of the Government Council for NGOs.	Regularly publish and inform about the results and outcomes of the Government Council for NGOs' meetings on the website.	1. 6. 2021 - 31. 12. 2030	Published reports from the meetings of GCNGO and annual reports on GCNGO's activities	OG CR (Department of Human Rights and Minority Protection)	
				A.1.4 Strengthen regular cooperation with academia in the current issues of civil society	As part of the regular meetings, enrich each other with academic and field experience. Collaborate on suitable projects where the connection of the academic sphere with the field is desirable with regard to raising awareness of the role of civil society and NGOs. Possible ways of cooperation include: universities that specialize in civil society, to announce a competition for the best bachelor's and master's thesis on a topic related to the civil sector; GCNGO secretariat internships; internships in NGOs (especially umbrella NGOs); research projects.	1. 1. 2025 - 31. 12. 2030	Implemented competitions, offered internships	OG CR (Department of Human Rights and Minority Protection)	in close cooperation with relevant entities - academia, NGOs and others
				A.1.5 Provide awareness-raising activities to prevent the risk of misuse of NGOs for terrorist financing and money laundering	The informative e-brochure 'Awareness raising for the NPO sector regarding the fight against terrorism financing' created by MoI will be shared by OG CR (Department of Human Rights and Minority Protection) with the representatives of NGOs at various meetings	1. 6. 2021 - 31. 12. 2024	Presentation of the e-brochure at selected meetings	OG CR (Department of Human Rights and Minority Protection)	MoI, MFA, NGOs
				A.1.6 Map the existing web portals that provide information about the non-profit sector and share information about the activities of the Government Council for NGOs and non-profit sector topics.	Mapping of various information sources on the non-profit sector and civil society initiatives with the aim of intensifying cooperation with these entities to promote the topics of the Government Council for NGOs and other sectoral topics.	1. 1. 2025 - 31. 12. 2027	Created overview/information database	OG CR (Department of Human Rights and Minority Protection)	
A.2 Increasing awareness of the benefits of the projects and activities of NGOs financed from the state budget				A.2.1 Enable eligibility of costs to cover the expenses associated with the promotion of the benefit and impact the project activities and activities of the organization within the framework of existing and new subsidy programs from the state budget.	Enable financing project activities aimed at raising awareness about the benefit and impact of organizations' projects and activities in various areas of society as direct project costs from the state budget in the calls for NGOs within the existing and new subsidy programmes.	1. 6. 2021 - 31. 12. 2024	Consideration in calls - promotional project activities recognized under the direct project cost scheme	recommendatory character for central state administration bodies providing subsidies from the state budget, recommendatory character for bodies of territorial self-governing units	
				A.2.2 Map and share examples of good practice in the field of communication of project outputs and cooperation of public administration with NGOs in the Czech Republic and abroad.	1. Continuously map examples of good practice in the communication of project outputs and cooperation of public administration with NGO representatives, both on the domestic and foreign scene. 2. Actively participate in the exchange of experience within the initiatives on the domestic and foreign scene. 3. Promote and regularly inform about good practice on all platforms of the Government Council for NGOs in order to recommend sharing of good practice and its application within the activities of individual central state administration bodies and to recommend to territorial self-governing bodies.	1. 1. 2025 - 31. 12. 2030	Created information overview	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies, recommendatory character for bodies of territorial self-governing units

Specific Objective	Indicator of the Specific Objective	Default Value of the Indicator of the Specific Objective	Target Value of the Indicator of the Specific Goal	Measures	Description of the Measure	Duration of Implementation period of the Measure	Criteria of Fulfilment	Responsible Institution (Person)	Collaborating Entities
				A.2.3 Inform the public about the practical benefits of subsidy programmes from the state budget.	1. Incorporate systematic communication about the benefits of subsidy programmes into the communication strategies of individual central state administration bodies providing subsidies from the state budget, targeted to both lay and professional public. 2. Regularly evaluate the benefits of subsidy titles focused on activities that the state provides for the citizens of the Czech republic through the non-profit sector, e.g. within the annually submitted material "Main Areas of State Subsidy Policy Regarding NGOs to Support Public Benefit Activities".	1. 6. 2021 - 31. 12. 2030	Updated methodology of communication of public administration institutions with the public, regular evaluation of the benefits of subsidy titles within the material Main areas	central state administration bodies providing subsidies from the state budget, recommendatory character for bodies of territorial self-governing units	
				A.2.4 Initiate research focused on the socio-economic benefits and moral impact of the non-profit sector.	Implementation of research and subsequent data interpretation with a focus on determining the socio-economic benefits of NGOs in the national economy of the Czech Republic.	1. 6. 2028 - 31. 12. 2030	Implemented research	OG CR (Department of Human Rights and Minority Protection)	
A.3 Promoting interlinking of the formal and non-formal education, and active involvement of the non-profit sector in education processes and awareness raising				A.3.1 Strengthen and improve the interlinking of the formal and non-formal education at schools of all levels and support activities leading to wider awareness-raising in society.	In line with the Strategy of the Czech Republic's educational policy until 2030+, support and promote effective cooperation between schools and NGOs with suitable tools, to motivate actors of formal and non-formal education to cooperate with each other by creating financial and material conditions for linking formal and non-formal education.	1. 6. 2021 - 31. 12. 2024	Revised FEP, announced calls, sharing of good practice, provided methodological support for schools	MEYS	in close cooperation with relevant entities - academia, NGOs and others
				A.3.2 Non-profit sector involvement in the lifelong learning system.	In line with the Strategic Framework of the Czech Republic 2030 and the Strategy of the Czech Republic's educational policy until 2030+, strengthen the development of the lifelong learning system and the involvement of the non-profit sector in all its areas (that is, in initial and further education, in education for professional, civic and personal life).	1. 6. 2021 - 31. 12. 2024	Updated implementation card, consideration in calls	MEYS	in close cooperation with relevant entities - academia, NGOs and others

**Logical Framework for the implementation of the "Strategy for Cooperation Between Public Administration and Non-governmental Non-profit Organisations 2021-2030"**  
Task Part

Strategic Objective		B. Supporting effective partnership and cooperation between public administration and the non-profit sector				Indicator of the Strategic Goal	Overall USAID rating	Default Value of the Indicator of Strategic Objective	2.6 points	Target Value of the Indicator of the Strategic Goal
Specific Objective	Indicator of the Specific Objective	Default Value of the Indicator of the Specific Objective	Target Value of the Indicator of the Specific Goal	Measures	Description of the Measure	Duration of Implementation period of the Measure	Criteria of Fulfilment	Responsible Institution (Person)	Collaborating Entities	
B.1 Strengthening the participatory role of the non-profit sector in designing and regular evaluating public policies				B. 1.1 Drawing up a methodology for the participation of civil society representatives in the participatory processes	Under this measure a methodology will be drafted in line with the principles of participation and co-creation. The methodology will also include the topic of advocacy work as one of the forms of participation, as well as the topic of regular evaluation of participation itself and direct participation of non-profit sector representatives in this evaluation.	30. 4. 2021 - 31. 12. 2021	Drafted methodology	MoJ	OG CR (Department of Human Rights and Minority Protection)	
				B. 1.2 Implement a methodology for the participation of civil society representatives in the participatory processes into practice	1. Implementation of a pilot project at (at least) one larger ministry in the period from 1 January 2022 to 31 August 2022. 2. Implementation of the methodology into practice by other central state administration bodies/recommendations for implementation will also be addressed to territorial self-governing units.	1. 1. 2022 - 31. 12. 2024	Implemented pilot project, drafted recommendations to ministries, drafted recommendations to territorial self-governing units	OG CR (Department of Human Rights and Minority Protection)	MoJ, central state administration bodies, bodies of territorial self-governing units	
				B. 1.3 Regularly evaluate the activities of the Government Council for NGOs, including the activities of its working bodies, with the aim of streamlining the work of the Government Council for NGOs and strengthening its position.	An analysis of discussed topics, adopted resolutions and the work of members of the Government Council for NGOs, including the collection of feedback in the form of a questionnaire, will be conducted at regular intervals.	1. 6. 2021 - 31. 12. 2030	Drafted questionnaire, performed evaluation	OG CR (Department of Human Rights and Minority Protection)	NGOs	
B. 2 Strengthening the position and role of NGO umbrellas and networks in ensuring partnership and cooperation between public administration and the non-profit sector				B. 2.1 Reviewing the definition of an inter-sectoral umbrella organisation and a NGO networks.	With regard to the prevailing inconsistency, determine clear parameters that will be further used in other measures set out in the Strategy.	1. 6. 2021 - 31. 12. 2024	Revised definition	OG CR (Department of Human Rights and Minority Protection)	academia	
				B. 2.2 Analyze the existing cooperation between public administration and umbrella organizations/NGO networks and the criteria for their selection.	In co-operation with the public administration, map and evaluate its current co-operation with umbrella organizations and NGO networks, including the evaluation of the criteria on the basis of which such co-operation is established. The participation of aforementioned institutions and bodies will consists, for example, in answering the questions from the apparatus of the Office of the Government.	1. 6. 2021 - 31. 12. 2024	Analysis of current practice	OG CR (Department of Human Rights and Minority Protection)	all ministries, or other central state administration bodies, bodies of higher territorial self-governing units	
				B. 2.3 Initiate systematic communication between the public administration and umbrella organizations / NGO networks.	A platform of umbrella organizations and NGO networks for systematic communication between the public administration/Council and umbrella organizations/NGO networks will be established at the Government Council for NGOs. Representatives of regional self-governing units will be offered a possible membership (or ad hoc participation) in this platform. The aim will be to address current issues and challenges affecting the activities of NGOs.	1. 6. 2021 - 31. 12. 2024	Implemented regular meetings - networking, sharing of good practice, etc.	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies, bodies of higher territorial self-governing units	
				B.2.4 Review the subsidy programme of OG CR for NGO umbrellas with regard to current needs.	Carry out a revision of the subsidy programme focus or the definition of eligible applicants, which will reflect current sectoral needs.	1. 6. 2021 - 31. 12. 2024	Revised proposal of the subsidy program	OG CR (Department of Human Rights and Minority Protection)		
				B. 2.5 Support the sustainability of umbrella NGO organizations.	Initiate a discussion with representatives of central state administration bodies providing subsidies from the state budget on possible support for the sustainability of umbrella NGO organizations within the existing and new subsidy programmes (state subsidies and EU funds).	1. 6. 2021 - 31. 12. 2024	Specific proposals to support umbrella NGOs	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget	
				B. 2.6 Enable the eligibility of the cost of membership fees payment paid by NGOs to umbrella organizations and NGO networks, if this cost is related to the purpose of the subsidy.	Enable the eligibility of the cost of membership fees payment paid by NGOs to umbrella organizations and NGO networks in the Czech Republic in subsidy programmes under which umbrella organizations and NGO networks are not included among eligible subsidy applicants and if this cost is related to the purpose of the subsidy, as direct project cost.	1. 6. 2021 - 31. 12. 2024	Consideration in calls - membership fees to umbrella organizations and NGO networks recognized as direct project cost	central state administration bodies providing subsidies from the state budget		

Strategic Objective		C. Ensuring and maintaining adequate conditions for the existence and activity of NGOs				Indicator of the Strategic Goal	Overall USAID rating	Default Value of the Indicator of Strategic Objective	2.6 points	Target Value of the Indicator of the Strategic Goal
Specific Objective	Indicator of the Specific Objective	Default Value of the Indicator of the Specific Objective	Target Value of the Indicator of the Specific Objective	Measures	Description of the Measure	Duration of Implementation period of the Measure	Criteria of Fulfilment	Responsible Institution (Person)	Collaborating Entities	
C.1 Promoting the development of private donorship				C. 1.1 Map and support existing competitions, awards and similar activities organized in the area of corporate donations.	The proposed measure is in line with the MIT's strategic priority in the area of valuation (including planned activities), which is defined in Chapter 9 of the National Action Plan for the Support of Corporate Social Responsibility in the Czech Republic for the years 2019–2023. The material states that in the Czech Republic there are already a number of awards associated with the area of socially responsible and socially and environmentally sustainable and ethical business. For this reason, the implementation of the measures is planned in cooperation with the Ministry of Industry and Trade, the supervisor of social responsibility at the national level. OG CR will focus on mapping and promoting awards in the field of corporate donations, which are organized by NGOs at the national and regional level. Encouragement e.g. through auspices and participation of leading representatives of the CZ Government in award ceremonies or by sharing good practice.	1. 1. 2025 - 31. 12. 2027	Drafted information overview, provided auspices	OG CR (Department of Human Rights and Minority Protection)	MIT	
				C.1.2 Initiate a discussion with representatives of public administration and other relevant entities with the aim of proposing measures not only in the tax area, which would motivate private-law entities to provide non-financial gifts (services and unsaleable goods intended for disposal) for public-benefit purposes.	The measure follows the activities of the working group for corporate giving at the Committee for Legislation and Financing (2016-2019) and the recommendations arising from the Final Report of the project "Corporate Donation in the Czech Republic: Development, state of play and obstacles to the development of its forms" (prepared by EEIP, as ). The aim is to prepare a proposal of possible measures in this area.	1. 6. 2021 - 31. 12. 2024	Support proposal, concluded memorandum of cooperation	OG CR (Department of Human Rights and Minority Protection)	MoF, GFD, MIT, MoE	
				C.1.3 Propose measures to increase the motivation of individual givers to donate funding to public-benefit purposes.	In line with this measure, the activity of the Working Group for Individual Giving Support will be renewed with the aim of proposing support measures to promote individual donorship.	1. 6. 2021 - 31. 12. 2024	Support proposal	OG CR (Department of Human Rights and Minority Protection)		
				C. 1.4 Evaluate the application practice of the Public Collections Act and propose suitable solutions through the working group for public collections established within the Committee for Legislation and Financing.	Based on the evaluation of the application practice of the existing law, prepare materials for the amendment of the existing or the creation of a new law concerning public collections.	1. 6. 2021 - 31. 12. 2024	Drafted Information on the application practice of the Act, submission of a document to amend the Act on Public Collections to the Ministry of the Interior	OG CR (Department of Human Rights and Minority Protection)	Mol, MoF, MFA, NGOs, academia, bodies of higher territorial self-governing units	
				C.2.1 Based on the evaluation of the implemented project for the development of volunteering, draw up a conceptual strategic material in the area of volunteering development in the Czech Republic and submit it to the Government for approval.	The evaluation of the project "Concept of volunteer development in the Czech Republic with an emphasis on ensuring regional and professional availability of volunteering in the form of volunteer centers" will take place in 2022. It will also include an evaluation of the effectiveness of pilot implementation of regional volunteer centers. After this comprehensive evaluation, it will be possible to responsibly prepare a concept for the further development of volunteering in the Czech Republic.	1. 1. 2023 - 31. 12. 2024	Approved concept	Mol	Representatives of MSLA, MoH, MoJ, MoC, MEYS, MoF,MoE, MoA, MFA, MoRD, OG CR, CAS, UTM CR, Association of local self-governments, National Sports Agency, experts, NGOs	
				C. 2.2 Implement regular meetings of the inter-ministerial working group on the concept of volunteering development in the Czech Republic.	In order to work with the outputs of the above-mentioned European project, the Ministry of the Interior established an inter-ministerial working group for the concept of volunteering development. Within this group, information about the implementation of the project is shared, its outputs and possibilities of their use in the future are discussed. It is thus planned that this working group will continue to operate even after the end of the European project in mid-2022.	1. 6. 2021 - 31. 12. 2024	Implemented regular meetings	Mol	Representatives of MSLA, MoH, MoJ, MoC, MEYS, MoF,MoE, MoA, MFA, MoRD, OG CR, CAS, UTM CR, Association of local self-governments, National Sports Agency, experts, NGOs	

Specific Objective	Indicator of the Specific Objective	Default Value of the Indicator of the Specific Objective	Target Value of the Indicator of the Specific Objective	Measures	Description of the Measure	Duration of Implementation period of the Measure	Criteria of Fulfilment	Responsible Institution (Person)	Collaborating Entities
C.2 Promoting the development of volunteering				C.2.3 Increase the financial allocation of the Ministry of the Interior's subsidy programme Development of Volunteer Service (accredited applicants under Section 6 of the Volunteer Service Act) by at least 50%.	The volume of funds allocated by the Ministry of the Interior for the subsidy programme has been the same since 2013, 15 million for projects/programmes throughout the Czech Republic. Due to the ever-increasing number of eligible applicants and quality projects (the sum of applications for 223 programmes in 2021 was CZK 40,978,951, which represented approximately 43% of the total project/programme costs), this volume of funds is inadequate and threatens the existence of accredited organizations.	1. 6. 2021 - 31. 12. 2024	Increased allocation	Mol	
				C.2.4 Map and promote existing awards in the area of volunteering.	Currently, there are a number of volunteer awards, such as Dobrovolník s kytičkou v Prachaticích, Zlatá koruna dobrovolníkům v Králověhradeckém kraji, Křesadlo award, etc. It is not necessary to create a new award, but based on the suitability and possibilities support existing awards, for example through the auspices and participation of the leading representatives of the Ministry of the Interior of the Czech Republic in the award ceremony, sharing examples of good practice.	1. 6. 2021 - 31. 12. 2024	Created information overview/database	Mol	
				C.2.5 Implement a representative sample survey of volunteering at regular intervals.	The measure follows the task defined in the State Policy towards NGOs for the years 2015-2020 and the work of the working group for data on NGOs, which was established within the Committee for Legislation and Financing (2015-2020). According to its conclusions and in accordance with international recommendations, the most conclusive tracking of voluntary activity is through the labour force sample survey, executed in households by CZSO.	1. 6. 2022 - 31. 12. 2030	A set of survey questions, available data in the field of volunteering comparable at the international level	CZSO	Mol, OG CR
				C.2.6 Promote co-financing of projects in the form of volunteering and annually monitor the share of volunteering in project co-financing across the state administration.	Promote co-financing in cooperation with the Ministry of the Interior, for example in the form of an information seminar for central state administration bodies providing subsidies from the state budget on the topic of co-financing projects through volunteering, sharing examples of good practice.	1. 6. 2021 - 31. 12. 2030	Implemented information seminar, the number of subsidy programmes with the possibility of co-financing the project in the form of volunteer activities	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget
C.3 Streamlining the system of NGOs financing from public sources				C.3.1 Draw up analysis of administration burden in the area of management of the subsidy provision in connection with the adoption of Act on Budgetary Rules amendment, which brought in process subsidies provision from the state budget in compliance with the Administrative Code.	The amendment to the Act on Budgetary Rules, effective from 1 January 2018, brought the process of providing subsidies from the state budget into line with the Code of Administrative Procedure. The analysis, which aims to evaluate the effectiveness of the subsidy procedure before and after the application of the Code of Administrative Procedure to the subsidy procedure, will focus exclusively on providers and a sample of subsidy programmes registered under the Main Areas of the State Subsidy Policy regarding NGOs for 2017, 2019 and 2021. The analysis will suggest possible measures that will aim to streamline the process of providing subsidies.	1. 6. 2021 - 31. 12. 2024	Analysis	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget
				C.3.2 Amend the Government Guidelines for the Provision of Subsidies from the State Budget of the Czech Republic by Central State Administration Bodies to Non-Governmental Non-Profit organizations.	As part of the forthcoming amendment to the non-legislative material Government Guidelines for the Provision of Subsidies from the State Budget of the Czech Republic by Central State Administration Bodies to Non-Governmental Non-Profit organizations, which is a binding regulation for providers of subsidies for NGOs and unifies the basic principles of providing subsidies to NGO from the state budget, create new recommendations in cooperation with the Ministry of Finance, which will contribute to the streamlining of subsidy procedures, for example by setting criteria for assessing the applicant's credibility, setting regular evaluation of the program, including updating calls before their announcement.	1.1.2022 - 31.12.2030	Amendment	OG CR (Department of Human Rights and Minority Protection)	MoF
				C.3.3 Monitor and remove obstacles in obtaining and drawing funds for NGO applicants from EU funds.	1. Organize regular meetings of representatives of monitoring committees from among NGOs and evaluate the conditions for applicants from among NGOs/recipients of EU funds or other EU resources (EU programmes). 2. Submit and discuss proposals for their elimination with representatives of the MRD-NCA (National Coordination Authority) and other stakeholders.	1. 6. 2021 - 31. 12. 2027	Organization of regular meetings, drafted recommendations	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies in the role of managing authorities of operational programmes, MoRD-NCA, NGOs
				C.3.4 Monitor and inform the government about compliance with the deadlines for the provision of subsidies from the state budget in accordance with the Government Guidelines for the Provision of Subsidies from the State Budget of the Czech Republic by Central State Administration Bodies to Non-Governmental Non-Profit organizations.	During the validity of the Strategy, the Office of the Government of the Czech Republic (Department of Human Rights and Minority Protection) will submit to the Government information on compliance with deadlines for providing subsidies from the state budget (together with the material Main Areas of the State Subsidy Policy regarding Non-Governmental Non-Profit Organizations in Support of Public Benefit Activities for the Next Year) by 31 May each year.	1. 6. 2021 - 31. 12. 2030	Information about compliance with deadlines for the provision of subsidies from the state budget of NGOs	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget

Specific Objective	Indicator of the Specific Objective	Default Value of the Indicator of the Specific Objective	Target Value of the Indicator of the Specific Objective	Measures	Description of the Measure	Duration of Implementation period of the Measure	Criteria of Fulfilment	Responsible Institution (Person)	Collaborating Entities
				C.3.5 To support strategic partnerships between NGOs and central state administration bodies by concluding Cooperation Agreements in accordance with the Government Guidelines for the Provision of Subsidies from the State Budget of the Czech Republic by Central State Administration Bodies to Non-Governmental Non-Profit organizations.	During regular meetings with representatives of providers of subsidies from the state budget, OG CR (Department of Human Rights and Minority Protection) will draw attention to the possibility of concluding cooperation agreements. The subject of the agreement is the development and support of cooperation between the subsidy provider and the organization, which is identified by the provider's interest in the implementation of a multi-year project. The cooperation agreement does not create a legal right to a subsidy. This measure does not create an obligation for central state administration bodies to conclude cooperation agreements.	1. 6. 2021 - 31. 12. 2030	Number of cooperation agreements concluded	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget
				C.3.6 Establishment of an expert group to evaluate the options of a possible systemic change in financing.	The aim of the measure is to establish an inter-ministerial expert group with the aim of evaluating the needs and options of a possible systemic change in the financing of public benefit services, which are a public service regulated by law. This is the financing of those areas, which the state is interested in providing and which require a considerable degree of stability and financial security over a longer period (e. g. social services, culture, development cooperation and humanitarian aid, etc.).	1.1.2022 - 31.12.2030	Analysis of possibilities of systemic change of financing of public benefit services	OG CR (Department of Human Rights and Minority Protection)	MoF, central state administration bodies providing subsidies from the state budget, NGOs
				C.3.7 Initiate the introduction of a uniform methodological environment for the provision of subsidies in the field of social services at the national and regional level.	The aim of the measure is to create a binding methodological guideline regulating the provision of subsidies in the field of social services at the national and regional levels and thus ensure equal conditions in the possibility of obtaining and drawing subsidies for social service providers.	1. 6. 2021 - 31. 12. 2024	Created methodical instruction	MLSA	
				C.3.8 Promote the possibility of multi-annual financing by regions and municipalities so that this way is used more by them.	Map and share examples of good practice in the field of multi-annual funding at the level of regions and municipalities.	1. 1. 2025 - 31. 12. 2030	Information material - overview of good practice	OG CR (Department of Human Rights and Minority Protection)	bodies of higher territorial self-governing units
				C.3.9 Actively monitor and comment on legal regulations adjusting the status and activities of NGOs.	Comment on draft legislation regarding NGOs that regulates and significantly affects the activities of NGOs	1. 6. 2021 - 31. 12. 2030	Prepared statements	OG CR (Department of Human Rights and Minority Protection)	NGOs
C.4 Monitoring data on the subsidies provided to NGOs for public benefit services				C.4.1 Draw up and submit to the Government the material Main Areas of the State Subsidy Policy regarding NGOs to Support Public Benefit Activities for the Upcoming Budget Period by May 31 each year.	The material provides a comprehensive overview of all subsidy programmes within the state subsidy policy towards NGOs announced to support public benefit activities for the upcoming year. It is prepared in inter-ministerial cooperation with central state administration bodies providing subsidies.	1. 6. 2021 - 31. 12. 2030	Drafted material	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget
				C.4.2 Annually draw up and submit to the Government for information the material Summary information on provided subsidies within the material Main Areas of the State Subsidy Policy regarding NGOs to Support Public Benefit Activities, which follows the Main areas of the past budget period.	The Summary information presents general information on funds provided in the form of subsidies to NGOs from the state budget for the previous calendar year, and that is only those that fall within the scope of the document Main areas of state subsidy policy regarding NGOs to support public benefit activities. It is prepared in cooperation with ministries providing subsidies.	1. 6. 2021 - 31. 12. 2030	Drafted information	OG CR (Department of Human Rights and Minority Protection)	central state administration bodies providing subsidies from the state budget
				C.4.3 Cancellation of the IS NGO information system.	The measure proposal follows the resolution of the Government Council for Non-Governmental Non-Profit Organizations from 4 September 2020, which recommended that the Council Secretariat begins negotiations with representatives of the Ministry of the Interior regarding the cancellation of the NGO/ENNO IS.	1.6.2021 - 31.12.2022	Cancellation of IS NGO operation	OG CR (Department of Human Rights and Minority Protection)	MoI
				C.4.4 Ensure monitoring and publication of data in the field of public benefit services in the social area.	The aim is to ensure monitoring and publication of data on the number of clients of registered social services, including monitoring of social service providers by legal form.	1. 6. 2021 - 31. 12. 2024	Publicly available data regarding the area of public benefit services	MLSA
